

## Copyright Statement

The copyright law of the United States (Title 17 US Code) governs the making of photocopies or other reproductions of copyrighted material. One of these conditions is that photocopies or other reproduction is not to be “used for any purpose other than private study, scholarship, or research.” Requests to copy material constitutes an agreement that the user will not reproduce, transfer, distribute, broadcast, publicly display, offer for sale, or otherwise use or publish any material subject to copyright, or a portion thereof, in excess of fair use without the express permission of the copyright holder. **IT IS THE SOLE RESPONSIBILITY OF THE USER TO OBSERVE ALL COPYRIGHT LAWS.**

Steelworks Center reserves the right to limit the number of copies made, restrict the use of delicate, rare and valuable items, and to deny a request because of copyright regulations, privacy rights, donor-imposed regulations, or other rights related issues.
